

# Summer Reading Charts 2020

## Children/Youth Chart:

This year our reading charts for ages 0-15 will be a little different. We understand with everything that is going on in the world we can't expect things to be the same. After much debate the Nephi Public Library is going to be doing a reading/activity chart. The charts have 20 items, 1 item can be crossed off each day. We will have a reading chart for June and one for July this year in an effort to help you do what you can, and want to do in our home. June charts can be turned in for a prize at the end of June, and the same for the July chart. If both are turned in the youth will be entered for our prize drawing at the end of Summer Reading in August.

We are so excited to start this Summer of Reading with you!

## Teen and Adult Chart:

Summer Reading charts for Teens and Adults remain the same this year as in past years, one box for one hour of reading (ie listening, reading a magazine, textbook, articles online, etc). A ticket will be placed in a drawing each time you enter the library and check out an item, additional tickets will be given for reading chart participation.

We are thrilled to start this journey with you and Thank YOU for your support in our Summer Reading Program!
