

Welcome to Nephi Library Interlibrary Loan!

If you have an item (Book, DVD/BLU-RAY, Newspaper, Audiobook) that you wish to borrow and you can't find it in the library--NO FEAR! We have an amazing opportunity to borrow from other libraries across the United States!

What you need to bring:

Authors Name, Title of the Material

COST:

Our Cost: Shipping to the library

Your Cost: Return Shipping *

*Materials that are shipped to our library must be paid for at the time of service.

How this works:

We put the item in a databank and request it through the State of Utah Library Division. The material if available it will be sent from that library to ours, the material will have a return date and we cannot guarantee a renewal on any item.

We can't wait to help you!
