Notes from the Office

In association with Mental Health Awareness Month, the Juab Unites Motivation &

Prevention (JUMP Coalition) group is promoting a new slogan and hashtag (#) this year. The JUMP Group, Juab and Tintic school districts are announcing a new awareness & support program focused on students and mental health awareness.

We are launching the hashtag [#BEJUAB](#) and [#BETINTIC](#). This stands for Better Everyone - Juab. As a promotion of the new hashtag and program, the JUMP Coalition will be providing school leadership groups with green socks with the new hashtag logo. Just as we have bright pink for Cancer Awareness month, we will have bright green for Mental Health Awareness.

To support this cause, you can purchase a pair of our socks. All proceeds from the socks will go to Live On Utah; A foundation that specializes in suicide awareness. The socks are \$15 a pair and you can purchase them on our website by clicking "Register Now" and clicking BEJUAB Socks. If you purchase online, you can pick them up at our office during business hours. We would like to thank Moe Socks for customizing our socks and helping us be a part of this.

With Fall Sports getting ready to enter their tournaments we would like to remind all parents, coaches, and spectators about proper sportsmanship. We want to be a good example to the youth on and off the field, which means showing good sportsmanship. Please be respectful to our officials. Most of them are high school students and play the sport they are helping us with. We utilize a lot of youth to help keep the cost of our programs reasonable. Without them our costs would need to be increased to offset the costs for adult officials.

Sadly, we have seen an increase with unsportsmanlike conduct at our events. If you see any issues, please ask who the onsite supervisor is and take your concerns to them. They are your primary means of contact while on the field.

If they are unable to help you, or you are not satisfied with the answer you may contact our office and speak with an office staff member. We can be reached at 435-623-1004 or by email

recreation@nephi.utah.gov.

We cannot and will not tolerate any unsportsmanlike conduct. Please remember we are all there for the kids.

Deadlines approaching

- **Itty Bitty Basketball- Oct 10**
- **Youth Basketball- Nov 7**
- **Men's Basketball- Nov 14**
- **Turkey Toss registration deadline- Nov 17**
- **Indoor Soccer- Dec 12**

Special Events

Come join us for our first annual "Monster Mile" Fun Run on Oct 23rd. Starts at 5pm at the Nephi City Park. Prizes will be given for best costumes. Refreshments and candy afterwards. Preregister online by Oct 17th. Preregistration cost is \$8, day of registration is \$10.

Highlights

Sign up for the Turkey Toss. This is our first annual Thanksgiving cornhole tournament. We have a youth division (14 and under) and an adult doubles division. We are excited to partner with USU Extension to put on this event. Sign up by November 17th. This will be an indoor tournament and will tentatively be held at the Juab County Fairgrounds. Cost is \$10 for youth and \$20/adult team. Awards will be Thanksgiving themed.

FREE Girls Basketball Clinic

T-Shirt Included
(Sponsored by CVMC)

Girls Grades 3rd-8th

The Hive Update

We are very excited to see The Hive coming along. For those that are unaware of what The Hive is it is going to be the home of Nephi Recreation. It is a building that is going to be shared between Nephi City and Juab School District. Inside will be 4 basketball courts, 3 pickle ball courts, 6 volleyball courts, a running track, and a turf field for indoor soccer and football. We can't wait for this building to be opened!

Watch for more updates on our website and future newsletters!
