Highlighted: Platinum Sponsor of Month

I am thrilled to meet the community and look forward to serving many different dental needs for our patients at Nephi Smiles! I am a dual specialized Pediatric Dentist and Orthodontist--the only one in Utah County. I provide all aspects of dentistry for kids and adults, but I believe kids deserve a kids' specialist dentist and I've completed 4 extra years of training to be able to provide for all of their dental needs. Most recently my wife, 6 kids and I moved from Florida where I completed my orthodontic specialist training. We miss the beaches and warm sunny days but we're thrilled to be back home in Utah. Come visit us at Nephi
